Christian Bischoff

Christian advises principals and contractors on all issues related to contract drafting, conflict resolution and process management in the field of construction law. One focus is on advising offshore wind farm projects, including proceedings before international arbitration tribunals.

Selected References

- English-language arbitration proceedings (NAI) regarding WTG defects at an offshore wind farm project in the North Sea
- Providing ongoing advice to an offshore wind farm project concerning all types of T&I contracts (e.g. Heads of Terms, Liability concept for the project, agreement for piling works and vessel agreements)
- Advice during tender negotiations regarding tender for a WTG Service and Maintenance Agreement

Curriculum vitae

- Legal studies at the University of Münster, 2021 to 2018
- Legal clerkship in Düsseldorf, including, amongst others, training at the German Embassy in Brussels as well as training at the Administrative Court in Düsseldorf, 2019 to 2021
- Legal Research Assistant at Kapellmann, 2021 to 2023
- Ongoing PhD dissertation in construction insurance law since 2022
- Lawyer at Kapellmann since 2024
