EXPERTISE

- Real estate law
- Commercial lease law
- Project development and project management law
- Construction contracts

Florian provides comprehensive advice on the drafting and structuring of real estate contracts, in particular construction, purchase and lease contracts. His clients include market players from all parts of the real estate and construction sectors, including project developers, construction companies and institutional investors – also in construction processes. Further key practice areas include advising on real estate transactions and brokerage law.

What others say

„ Recommended lawyer for real estate law; quick understanding of (very) complex problems, development of targeted solutions. Very good client training. “

Legal 500 Germany 2023/24

„ One of the most frequently recommended lawyers for real estate law “

Handelsblatt/Best Lawyers® 'Germany's Best Lawyers2023'

Recent work

- Advising the Kölbl Kruse Group on various projects including Project Cäcilium Cologne, Glückaufhaus Essen and Looper Duisburg
