Offshore Wind
- › **Integrated Project Delivery (IPD)**

### EXPERTISE

- Procurement law
- Law of architects and engineers
- Construction contracts
- Public funding and subsidy law
- State aid law
- Public law

Hauke Schüler advises clients and bidders on all questions of public procurement law and represents them in review proceedings before the public procurement tribunals and the public procurement senates of the higher regional courts. He regularly provides expert opinions on public procurement law issues. One of his main areas of expertise is the organisational and procedural design of complex public sector procurement projects, including incentive-based IPA projects as well as total and general contractor models and other alternative forms of contractor deployment.

In addition, Hauke Schüler has extensive experience in the practical drafting of planning and construction contracts as well as providing legal advice during planning and construction. Hauke Schüler also advises on issues relating to subsidy

and state aid law and other public law.

What others say

**„ Recommended lawyer for public procurement law “**

Legal 500 Germany 2020
